Matters Arising

1 Indoor Shoot, 2 December:

It was agreed that as we are now holding an indoor competition, a new Trophy will be given out at the Christmas Dinner for best Handicap score from this competition. This is in addition to the overall handicap Trophy, which will now be for the most improved handicap during the outdoor season.

Compounds will shoot on 3 spot vertical face, (two per face) unless they elect to use a single face. Frances and Tim Bull have kindly promised to donate a Trophy for Married Couple Recurve.

Targetcraft Archery will donate Junior Trophy's. (recurve and compound as required).

Stuart Wright has kindly promised to donate Trophy's for Compound Ltd, Bare-Bow and Longbow.

Club to provide:

Gents Recurve,

Lady's Recurve,

Gents Compound,

Lady's Compound,

Double rounds not sorted (no one mentioned them, sort out later)

Pete, Chris, Ken, Stewart and Ian will set up on Saturday the 1ST.

Pete and Frances will do introductions.

Ken to bring 2 more bosses over to Montsaye.

Colin to get clips and pens for score cards.

Friday the 23rd November modify boss stands.

Members present were asked to donate raffle prices and this will be mentioned on club nights prior to the event.

2 Field Maintenance:

Jimmy Runcie, announced he is stepping down from mowing the field. He has enjoyed looking after the field but now wishes to spend more time with his wife and their caravan.

Pete thanked him on behalf of the club for his sterling efforts over the years and wished him all the best for the future.

Ian Preston has agreed to do the job and Jimmy and others will help when they can.
Again many thanks to Jimmy.

3 Work Party's:

Work party to move the left hand target at West Lodge, to be arrange as and when people are free.
Ian Preston will look at the damage to the gents loo and hopefully put right.

4 Field Lease:

It was mentioned that we ought to make sure the clubs lease will be renewed at West Lodge prior to going ahead with the club house.

Colin will look into this.

It has been suggested that we try and get a bigger club house with toilets so that beginners courses can be indoors in inclement weather.

Colin will speak to the land agents about this

5 Bottom Entry to field:

Mike Cheeseman mentioned that the bottom entry to the field is getting very bumpy.

It was agreed that at he beginning of the outdoor season we will arrange a work party to do something about this.

6 Adrenaline Alley:

Chas and Ken raised the issue of Adrenaline Alley.

It was said at a Sports Meeting that Targetcraft Archers had pulled out of the venture. This is not the case.

The last time we spoke to Mandy, she said she would get the grants for us, she asked for details about the club and our aims to prepare the applications

The last email sent to Mandy gave her all the details that she had requested, prior to applying for grants.

For what ever reason, she has decided to use the hall for other purposes but all blame has been levelled at the club.

Ken spoke to her recently and she stated that there is now very little chance of us having the hall.
