1 Charity Status for Club and new Indoor Venue.

It was put to all members present tonight about a new indoor venue.

The new venue will be set up and used solely for archery.

This venue is part of the Adrenaline Alley project in Corby.

The space that has been designated for archery is separate from the main building and will require money spent to make it suitable.

To achieve this, we will need help and funding.

It was suggested by the Adrenaline Alley organiser that the club register as a charity, as a charity we would be in a better position to apply for grants to cover the work and possibly help in the running costs.

A discussion took place to decide if this is acceptable to all.

Points raised were,

1. The members would have to be committed to helping out with events
2. Committee members would have to become Trustees
3. Volunteers will be needed to open up and close up after events

After much debate it was agreed that the way forward is to register as a charity and to accept the offer of the new venue.

The committee will start the ball rolling.
