An online shop linked to the club web site was agreed as the best option for the following reasons.

a: The club would not have to hold stock.

b: Members would be able to log on and purchase their own clothing, or the club could buy on members behalf.

c: Clothing was of good quality.

Note: Before the club proceeds with setting up the online ordering account, revised club logo designs will be put to club members to vote on.

It was agreed that a blue top and black trousers/skirt will be our club colours and will need to be registered.

Owing to the nights drawing in now, members have asked if we could start indoor shooting before the official dates. Colin has made inquiries and we may be able to start indoors on Friday the 19<sup>th</sup>. This was agreed and during the meeting Colin had a call from the Montsaye School to say we could indeed start on the 19<sup>th</sup>, present members agreed and the early dates were booked.

5. Junior GNAS Fees.

Colin proposed a reduction in Junior GNAS fees as last year the club made a profit on Junior subscriptions. At present £10 per year, proposed £7.50 per year..

After some debate it was agreed that the fees should remain the same and excess funds used for junior equipment and activities.
