Email Addresses:

Will members who have e-mail accounts please contact me at colin@tac1.org.uk to confirm your name and email address. I can then add you to the club mailing list.

Junior Club:

Now that we have a strong junior presence in our club it has become viable to form a separate junior club.

The obvious name for this is Targetcraft Junior Archers, but if any member can suggest a more suitable name for the junior club then please let your committee members know.

Suggestion can then be put to the vote to decide on the name.

The junior club will abide by all present rules and regulations.

You might be wondering why we should bother with a separate junior club, well the answer is simple.

At present a junior pays £20.80 a year in GNAS fees but a Junior Club pays a block fee to GNAS regardless of how many juniors there are. So providing we can maintain a junior membership of 6 we can reduce their GNAS fees to £10 a year, I'm sure any parent will appreciate the saving.

The junior club will be registered in July to give GNAS time to swap existing juniors from Targetcraft Archers to the new Junior club in time for 2007 - 2008 affiliations.

Well that's about it for this newsletter.

Colin
